Notary Public

Documents notarized at our Princeton Junction office — by appointment

Ravi Paladugu

NOTARY PUBLIC · STATE OF NEW JERSEY

PLEASE BRING WITH YOU

1. **Valid, unexpired government photo ID** — driver's licence, passport or state ID. Every signer needs their own.
2. **Do not sign the document beforehand.** You must sign it in front of me.
3. **The complete document** — all pages, with no blank spaces left to fill in.
4. **All signers present together** at the appointment.
5. **Be signing willingly** and understand what you are signing.

WHAT I CANNOT DO

1. Give legal advice, prepare documents, or tell you which notarization you need — I am not an attorney.
2. Notarize a signature that was not made in front of me, or a document with blanks.
3. Certify copies of birth, death or marriage certificates — those come from the issuing office.

FEES — SET BY NEW JERSEY LAW

$2.50	$15	$25
per signature notarized	grantor in a real estate transfer	mortgagor in real estate financing

New Jersey sets the maximum a notary may charge for each notarial act, so these are the legal rates — the same everywhere in the state.

WHILE YOU'RE HERE — WILLS & TRUSTS

Family Protection Plan — $600

A **will**, **guardianship** for your children, a **healthcare directive** and a **power of attorney** — prepared through NetLaw's attorney-supported platform and completed with you in one sitting. If there is no will, a New Jersey court decides who raises your children, and a nominee named in India does not control US assets.

NetLaw is attorney-backed. Grow-Shine facilitates the process and does not provide legal advice.
